
Architects West, Coeur d' Alene, Idaho

Topographic and Features Survey on the Cataldo Mission (Idaho's oldest standing building)

- Survey was in support of the design of a new visitor center building and parking facilities
- Extensive topographic detail survey to locate existing buildings, utilities, parking facilities, trees, native bushes, paths and signs
- Used NGVD'29 Datum for FEMA flood elevation
- Deliverables included a topographic map in a digital format

Stakeholders:

- Architects West
- Coeur d' Alene Tribe
- State of Idaho Parks Department
- Idaho Department of Transportation
- Sacred Encounters

Key Staff Members:

- John W. Howe, P.L.S., Project Manager
